Dear Trustees,

Heavy rains continue to wreak havoc in the Eastern Province displacing almost a million persons and more than one thousand houses fully damaged and more than 4000 houses partly damaged. All the schools are closed. People are taking refuge in religious centers and schools.

With great difficulty a few social service organisations are going, even in boats, and distributing dry rations and cooked meals. All Ceylon Hindu Congress through its network is helping those refugees. This noble task is led in Batticaloa by our member Batticaloa Young Mens' Hindu Association under the leadership of its President, Mr. M. Pavalakanthan, a retired Director of Education and in Amparai by Aalayadivembu Region Hindu Mandram led by its Secretary, Mr. Saravanabhavan.

Members of Hindu Students Union of Eastern University led by its Senior Treasurer Prof. Vinobha is also arranging to distribute cooked foods and dry rations to these refugees in the University Premises in Chenkalady.

These services are being monitored by All Ceylon Hindu Congress. We annex photographs which show that the victims are being with parcels.

All Ceylon Hindu Congress has requested all the Temples to give financial assistance. Therefore we appeal to you to make generous donations for this noble service. You can rest assured that the donations will be channeled in a proper way to ensure the benefit thereof reaches the victims of the floods in the Eastern Province.

This is an ideal noble service that everyone can do on Thai Pongal day to assist all these refugees.

Yours in Service

ALL CEYLON HINDU CONGRESS

Kandiah Neelakandan
General Secretary
